Dear Senator Little,

As you know the Town of Harrietstown and our neighboring municipalities have passed resolutions of various strengths in regards to the Old Forge to Lake Placid rail line.

Most have asked to have the Unit Management Plan reopened, in order to hear all sides of the debate and come up with the best use of this resource.

Harrietstown is waiting along with the other municipalities, the 400 business owners, the roughly 12,000 citizens and the 58,000 strong NYS Snowmobile Association members, for the state to announce when they will open the plan for review.

To date the review is 13 years past due, we look for your leadership to help move this forward.

While members of the Harrietstown Town Board have each declared their support of a trail to replace the rails we have also collectively said that we will support the outcome, we simply want the debate to begin.

Thank you for all that you do for NYS, Franklin County and the Town of Harrietstown.

Sincerely,

Robert T Bevilacqua  
Supervisor  
Town of Harrietstown
