

Village of Tupper Lake
January 22, 2013
#1-012213

Motion was so moved by Trustee Rick Donah, seconded by Trustee Thomas Snyder to support the following resolution:

**RESOLUTION PETITIONING THE NYSDOT AND NYSDEC TO
REVIEW AND UPDATE ITS RAILWAY CORRIDOR
UNIT MANAGEMENT PLAN**

Whereas, the NYSDOT and NYSDEC have not updated the Railway Corridor Unit Management Plan for the corridor extending from Utica to Lake Placid in 15 years, the last being in 1997, and

Whereas, there exist the possibilities of other positive coordinated uses of the corridor, and

Whereas, these uses will enhance the economic vitality of the Adirondack Region, the Community of Tupper Lake, and

Whereas, the hearings required by a UMP update will provide an on-the-record process allowing all stakeholders the opportunity to express their respective points of view and for unbiased fact-finding, and

Whereas, the update procedure will run in a proscribed and unbiased way that would negate the need for localities such as the Town of Tupper Lake or Village of Tupper Lake to conduct their own fact-finding process, then,

Therefore, Be It Resolved, that the Tupper Lake Village Board hereby petitions the NYSDOT and NYSDEC to quickly review and update the Railway corridor Unit Management Plan for the corridor extending from Utica to Lake Placid.
